

On behalf of the Hamilton High School Bands, we would like to thank you for taking the time to consider investing in our public school program. The music programs in our public schools are in desperate need of funding due to demands placed on schools when balancing budgets and other factors that affect the priority of cultural education programs. In fact, the funds generated by public school funding only cover a percentage of the budget needed to operate a successful band program. For this reason, we are reaching out to our business community to help sustain and revitalize our band program.

Please take a moment to review the enclosed form to sign up. Through your support, we can achieve our ensemble goals and improve the quality of music education in our community.

We have several different tax-exempt options available that we hope you will consider. Through this effort, we hope to strengthen our band program and involve the community in our school. To show our gratitude for your contribution, we would like to offer the following schedule of acknowledgment in addition to recognizing your support on all of our concert programs. Please consider the following options.

		<h2 style="text-align: center;">2018-2019 Corporate Sponsorship Program</h2>
